

Historic Soldiers Weekend 2006

October 28th and 29th marked the 3rd Annual Historic Soldiers Weekend in the City of Burlington.

Sponsored by Main Street Burlington and many other local organizations, businesses and neighborhood groups, HSW is a project of Event Organizer Matt Carroll, his family, and a very dedicated group of friends and fellow re-enactors. Unlike other local re-enactment events that focus on one particular time period, Historic Soldiers Weekend is a compilation of every conflict from the French and Indian War through present day.

Despite strong winds and a very wet Friday evening, hundreds of interested onlookers visited our Riverfront Promenade to see the displays and talk with the re-enactors.

The event drew huge crowds including local veterans, who enjoyed seeing the old equipment and vehicles, and school students, homework assignments in hand.

Each year the event grows in size and in popularity. We expect this to be one of the premier Burlington County events for years to come.

Historic Soldiers Weekend takes many months of planning and a large amount of volunteer time to plan and execute. If you would like to assist with next years event or would like to make a financial donation to ensure future success of this event, please make checks payable to Main Street Burlington with HSW in the memo section and send to Main Street Burlington, PO Box 1561, Burlington, NJ 08016 or call 609-239-1020.
